

# Fair-Rite Partners with EMC Compliance Labs

## Signal Solution Wall Kit-0199000042

36" x 8" x 21"  
18 kg

- Complete test kit available to EMC compliance labs
- Available in Wall Mount and Table Mount
- Contains clamp-on ferrite cores in a wide variety of sizes to fit most cables
- Four different ferrite materials to mitigate EMI from 150KHz to 1000MHz
- Easy to use color coded parts selection
- Laser etched plastic cases for part number traceability

### Part Numbers Included:

Part Number	Qty
0475181651	12
0475178281	10

Fair Rite Products bookshelf kits give engineers the ability to experiment with application specific ferrite parts:

- Expanded Cable & Suppressor Kit • Chip Bead Kit • Shield Bead Kit •
- Antenna/RFID Kit • Surface Mount Bead Kit • Wound Bead Kit •
- Bead-on-lead Kit • RF Power Rod Kit • 31 Material Snap-It Kit •
- 43 Material Snap-It Kit • 46 Material Snap-It Kit • 61 Material Snap-It Kit •
- 61 Material & 31 Material Snap-It Kit • Multi-Aperture Core Kit •
- High Frequency Toroid Kit • Flex Circuit & Ribbon Cable Kit •
- Flexible Ferrite Kit •
